

A global credential that celebrates bilingualism and expands future opportunity

Functional Fluency

Working Fluency

Professional Fluency

Benefits to Recipients

- Ability to earn college credit, and/or accelerated pathway towards a major/minor degree
- Use Advanced Placement credit to easily add a second major or minor, enhancing future career opportunities.
- Highlight language skills on the Common App or applications for scholarships, internships, or study abroad programs
- Add the GSB serial-numbered credential to a C.V., resume or LinkedIn profile
- Documented language skills for increased employability and to receive extra pay for bilingual ability

About the Global Seal of Biliteracy

The Global Seal of Biliteracy is a digitally-shareable certificate that has been issued in over 30 countries by employers, universities, and secondary schools. The Global Seal of Biliteracy by design is inclusive, embracing all languages and learners, with the intent to provide equal access and expanded opportunity to document and highlight language skills. To learn more about the Global Seal of Biliteracy, scan the QR code.
