IA Drama Club's Fall 2024 Musical

Once on this Island

Congratulations to everyone involved this season!

Please look at the entire Cast or Crew sheet to check and see if you are listed multiple times. People with one role may also be listed as an understudy.

Understudies are expected to learn the songs, choreo, and blocking for their role and their understudy role. It is a big responsibility and sign of trust if you are listed. Please email Ms. Holland at hollanda@fultonschools.org ASAP if you prefer to not take on the commitment of understudy or swing. You will not lose your original cast role in the production.

Swings are expected to learn every character in the show. They are the stand-ins for any role when the person originally cast or their understudy is not there, for both standard rehearsal hours and live productions. Please note that swings are expected to perform one if not multiple roles with as little as four hours of notice.

Crew interns are not yet determined and will be appointed at a later date. Interns are appointed for every category of Crew. If you are interested in an internship to work towards a management position for future productions, email Ms. Holland. Internship positions are assigned by Ms. Holland and our Director.

See you all in the Auditorium this Wednesday afternoon starting at 4:20pm. Every cast and crew should attend. BRING A BINDER FOR YOUR SCRIPT COPY.
