

ELECTRICAL SYSTEMS AND SUSTAINABILITY SUMMER PROGRAM

JULY 7-18, 2025

This program is a Sponsored Summer Opportunity! Select students will only be responsible for a \$25 application fee, and they will receive a full scholarship. In this program, students will learn how to install electrical fixtures, read electrical prints, describe electrical principles, and learn about facilities management and sustainable systems.

HIGHLIGHTS

- Experience hands-on learning with the RealCareer Electrical Wiring Kit program
- Embark on off-campus visits
- Earn a certificate of completion from Georgia Institute of Technology
